## PARENT CODE OF CONDUCT

These guidelines are meant to make you and your diver's experience with the Carolina Diving Academy a healthy and harmonious one.

At practices, during training, and at competitions, parents are expected to:

1. Support your diver's adherence to the Athlete's Code of Conduct, including attending practices in a timely fashion.
2. Watch from the bleachers only and not interact with divers during practice or meets other than in emergencies.
3. Be a positive role model and demonstrate respect for all divers (including your own child, teammates and opponents) coaches, other parents, judges, officials and facility staff at *all* times.
4. Refrain from any kind of unsportsmanlike conduct with any official, coach, diver, or parent including negative or demeaning comments about any diver, official, coach or parent in person or through electronic media (including emails, text messages, tweets or posts). Gossip, inappropriate language, and negative or critical comments will not be tolerated.
5. Address any concerns regarding the team, its policies, or your diver in a respectful manner and in private with the coach only. Meetings with the coach must be outside of practices or competitions. Any meet related issues may not be discussed before 24 hours have elapsed after the conclusion of the competition. Non-diving or program issues are to be relayed directly to HFFA executive director Dee Jetton, [djetton@huntersville.org](mailto:djetton@huntersville.org).
6. Promote the emotional and physical well-being of all athletes ahead of any personal desire for your child to win. Never ridicule or yell at your child, CDA team members or other participants for making a mistake, "losing" a competition or behaviors impacting the dive environment. Follow code of conduct number 5 to address any concerns.
7. Require your child treat other divers, coaches, parents, officials and spectators with respect regardless of race, creed, color, sex or ability.
8. Enforce a sports environment for your child that is free from drugs, tobacco, and alcohol.
9. Notify coaching staff of illness, vacations, problems, extenuating circumstances, etc. as far in advance as possible by email.
10. Check email regularly for team updates, particularly prior to practices and events. Attend all required meetings and take responsibility for obtaining the required information.

You along with your divers represent Carolina Diving Academy and Huntersville Family Fitness & Aquatics; your words and actions can leave lasting impressions. Adhere to your best behavior during practice in Huntersville, as well as when away at meets.

*The coaching staff reserves the right to create additional guidelines.*

Generally, infractions of the Code of Conduct will be handled as follows:

1. First infraction will result in a warning.
2. Second infraction will result in a meeting between coaching staff and HFFA management. At the meeting, an appropriate course of disciplinary action will be determined, which could result in a parent being banned from attending training and/ or competitions for a period of time or indefinitely

Carolina Diving Academy and Huntersville Family Fitness & Aquatics do not guarantee that one form of action will necessarily precede another.

I have read and understand the Carolina Diving Academy Parent Code of Conduct and agree to adhere to the statements set forth therein. In the event that I am not compliant, I understand that the actions outlined above will take place.
